It is my pleasure to pass on to you "birkat mazal tov" from members of the Talmud Torah Board of Directors.

A number of members of the Board are parents of Talmud Torah students. As such they are doubly concerned about the preparation that our students are receiving for their roles as informed committed members of the Jewish community. They are concerned and are constantly at work with the school's staff, seeking the best means to accomplish that goal.

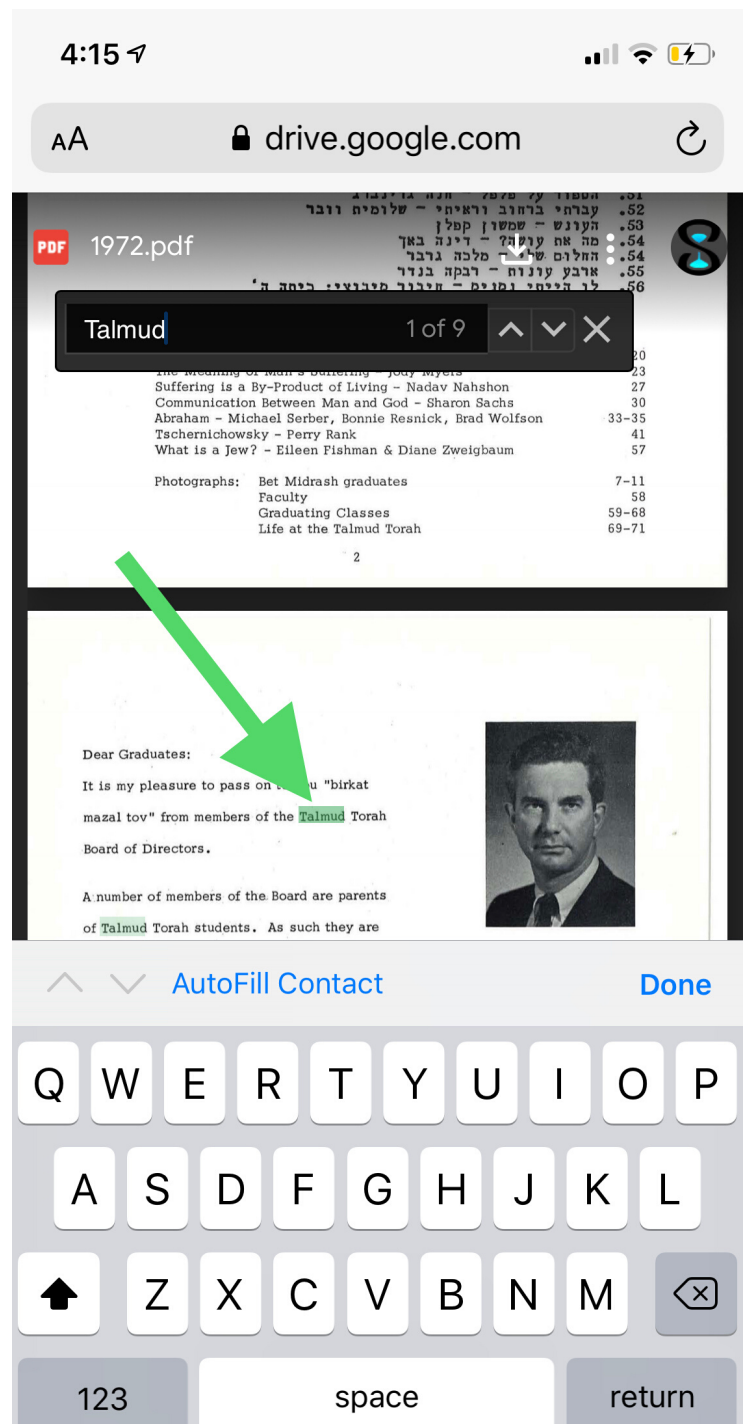

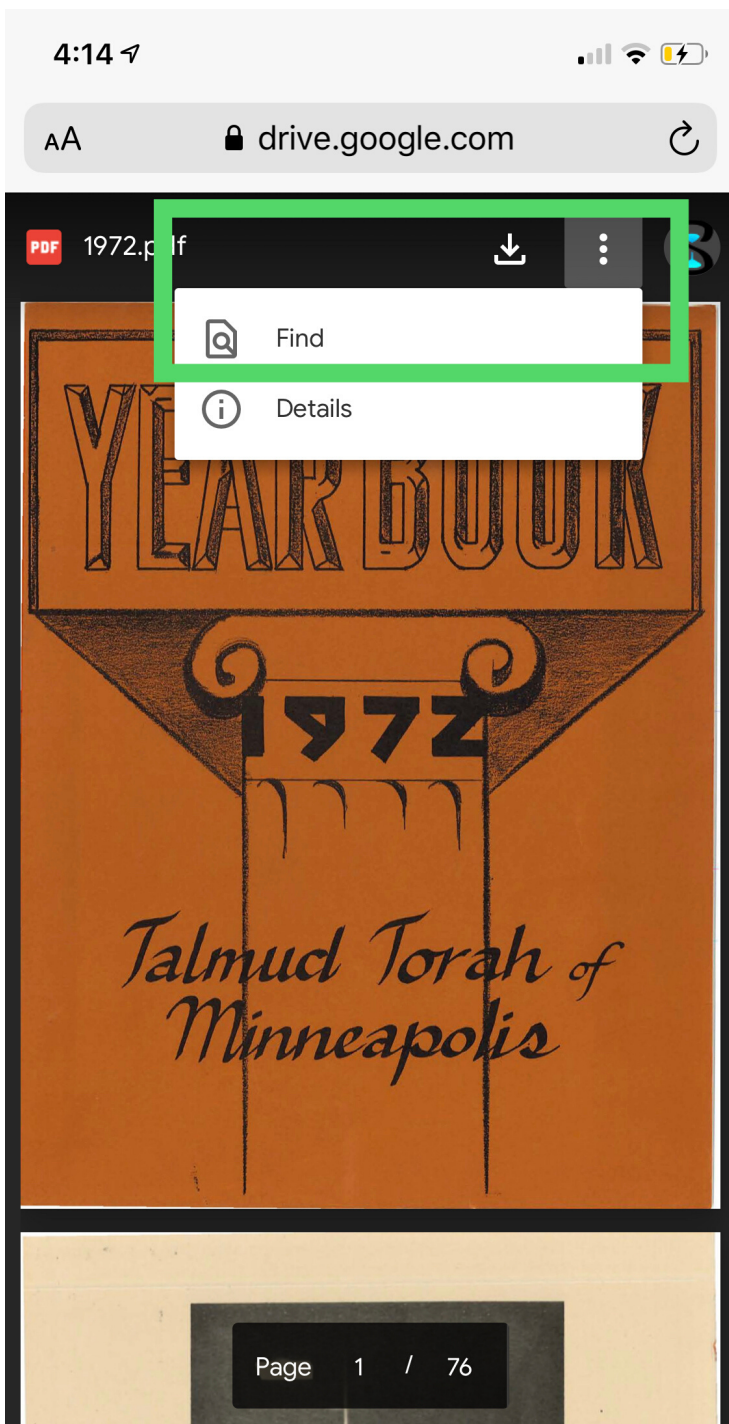

To those of you who are graduating from the elementary and high school divisions,
